MY ANIMATION FOOTPRINT:

Fantom Estudio, Brazil MAY 2021
Harmony cut-out animator MAY 2022

Worked on the [Award Winning](#) feature film CLARICE'S DREAM as a cut-out animator. Animated on 3s and 5s, this movie evokes the animation of actual paper cut-out stop motion animation. You can check my demo reel of this project [here](#).

FAAP, Brazil FEB 2020
Graduation Short film DEC 2020

CATASTROPHE - Short film about a narcissistic cat who is infamous for predicting deaths at a retirement home. Worked as the art director as well as wrote the script, storyboarded and animated parts of the short. You can check out the final result [here](#).

44 Toons, Brazil FEB 2020
Harmony cut-out animator & scene revisionist DEC 2020

In my year as an intern for 44 Toons, I animated and did revisions for the TV series Cordelicos (Space Cowboys) as well as worked on the feature film Lasanha Assassina (Killer Lasagna) as an animator and lip sync designer for the Harmony rigs. I got to animate a range of species such as humanoid aliens, birds, lizards humans as well as a demon.
