MY ANIMATION FOOTPRINT:

Fantom Estudio, Brazil

MAY 2021

Harmony cut-out animator

MAY 2022

Worked on the Award Winning feature film CLARICE'S DREAM as a cut-out animator. Animated on 3s and 5s, this movie evokes the animation of actual paper cut-out stop motion animation. I worked on most of the characters included Clarice, the main character, her trustworthy sidekick Tatu, her friends as well as detail shots of hands, sun-catchers, a football and the alluring creature Bicudo.

Muirak Estudio, Brazil

SEP 2021

Harmony cut-out animator

FEB 2022

Animated for a series on YouTube called Galera da Casinha (Kids Gang) that promote education on a variety of general topics for children in a fun and interactive way through music.

44 Toons, Brazil

FEB 2020

Harmony cut-out animator & scene revisionist

DEC 2020

In my year as an intern for 44 Toons, I animated and did revisions for the TV series Cordelicos (Space Cowboys) as well as worked on the feature film Lasanha Assassina (Killer Lasagna) as an animator and lip sync designer for the Harmony rigs. I got to animate a range of species such as humanoid aliens, birds, lizards humans as well as a demon.
