## Software Experience

Storyboard Pro  
Toon Boom Harmony

## Profile

Based in Vancouver, BC. Storyteller with a passion for storyboards and professional experience in Harmony rigged animation. Good sense of compromise and deadlines, experienced with working in a team with different professionals and always eager to give life to new stories.

## Employment History

MAY 2021 - MAY 2022

**FANTOM FILMES, Brazil** - *cut-out animator (freelancer)*

CLARICE'S DREAMS - An animated movie feature about a young girl named Clarice who has to deal with the grief of losing her mother. The animation with an intentionally unpolished look that evokes actual stop motion paper cut-out animation.

- Worked as a cut-out character animator - **ToonBoom Harmony**

SEPTEMBER 2021 - FEBRUARY 2022

**MUIRAK STUDIO, Brazil** - *cut-out animator (freelancer)*

KIDS GANG - This is a series of youtube videos that promote education on a variety of general topics for children in a fun and interactive way through music.

- Worked as a cut-out character animator - **ToonBoom Harmony**

FEBRUARY 2020 - DECEMBER 2020

**44 TOONS, Brazil** - *intern*

- Worked as a **Harmony cut-out animator and scene revisionist** for the tv series *Cordelicos (Space Cowboys)* (2021)
- Worked as a **Harmony cut-out animator and lip-sync designer** for the movie *The Killer Lasagna* (2022)

I learned how to work in a **fast paced environment** during the production of the tv series as well as have a **good sense of compromise with deadlines** so as to not overbear the workflow of the studio.

## Independent Animated Film Experience

2020

**CatAstrophe/ MIADO (FAAP), Brazil** – *Graduation Short Film, Directed by Victoria Silvestre*

2

My own final student film CatAstrophe (Miado) in which I was the Art Director, Screenwriter and collaborated with the pre-production, has been selected to over 15 festivals around the world and gathered a few awards:

For more information about CatAstrophe (Miado) please check out my website:

<https://en.mariaddor.com/miado>

2019

**PALOMA (FAAP), Brazil** – *Short Film, Directed by Alex Reis*

Worked on Alex Reis' Graduation Short Film PALOMA as a cut-out animator. This project went on many festivals to which it won 5 awards. Here's the trailer:

[Paloma | Trailer \(2020\) on Vimeo](#)

## Education

SEP 2022 - AUG 2024

**Capilano University, Canada** – *Degree in 2D Animation and Visual Development*

Ongoing course.

FEB 2017 - DEZ 2020

**Faculdade Armando Álvares Penteado (FAAP), Brazil** – *Bachelor Degree in Animation*

- Participated in many student short film productions and worked on my own animated projects
- Animated and rigged on ToonBoom Harmony and Autodesk Maya

## Volunteering Experience

2019 - 2021

**Projeto Juquehy sem Bituca** – *Juquehy Beach, São Sebastião, São Paulo, Brazil*

I volunteered as a member of the *Juquehy sem Bituca* group to comb the 3.5km of beach ground collecting cigarette butts to promote a better sustainable and healthy environment for the families and tourist beachgoers.

2015

**Cops for Cancer Car Wash** - *Oak Bay High School, Victoria, BC, Canada*

3

During my study abroad semester in Victoria, Grade 11, I volunteered for the Cops for Cancer Car Wash in which people would drive in the school parking lot and we'd wash their cars in exchange for a donation for cancer research.
